Section 3 - External Auditor Report and Certificate 2020/21

In respect of **Lower Beeding Parish Council**

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2020/21

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

We raised a point in our 2019-20 report that the Return did not satisfy the approval requirements set out in the Accounts and Audit Regulation 2015. We would therefore have expected a 'No' response to have been entered against Assertion 3 in Section 1 of the 2020-21 Return. The council has incorrectly provided a 'Yes' response.

The Notice of Public Rights period was set at 30 calendar days. The Accounts and Audit Regulations 2015, Section 14(1) state that this must be a single period of 30 working days and so the Council has not met the requirement to allow electors the proper opportunity to exercise their rights.

The inspection period for the exercise of electors' rights does not include the first ten working days of July as specified in the Accounts and Audit Regulations, Section 15(1). The common inspection period is set for transparency to be provided to electors who wish to exercise their rights to review the AGAR.

The Public Rights period is required by the Audit and Accounts Regulations to be started as soon as practicable after the date the AGAR has been approved but the Council waited a period of 7 weeks from approval before these were made available for public review.

The council should consider these points when completing the Assertions in Section 1 on its 2021-22 return.

Other matters not affecting our opinion which we draw to the attention of the authority:
