

Anyone for tennis?

As summer approaches, now is a great time to get kids moving and tennis is the perfect way to get children active and healthy.

Horsham District Council, in partnership with the LTA, is working with clubs and coaches across the Horsham District to reach out to local families who are keen to jump on court and give the sport a go.

NATURE VALLEY BIG TENNIS WEEKENDS

Try tennis for free in Horsham at a Nature Valley Big Tennis Weekend event.

Free open days will be taking place throughout the year with sessions to suit the whole family. There are Mini Tennis sessions, family time, free play, Cardio Tennis and numerous other kinds of activities to get involved in.

Rackets and balls will be provided, so whether you've never picked up a racket before or you're a seasoned regular – there's opportunity for everyone to get involved.

Tennis for Kids and Nature Valley Big Tennis Weekends can all be booked online, but if you have any questions simply email matthew.glazier@lta.org.uk.

REASONS TO GET INTO TENNIS

1. Physical Health

"There's lots of running around and tennis uses the entire body, making it a great way to tire out energetic kids," says leading LTA coach Sam Richardson.

2. Tennis improves the mind

Tennis helps players with problem solving and discipline, teaching them how to work best in a team, listen to directions and play fairly. "I've also noted that kids are more confident after playing tennis, and that shy kids often come out of their shell after a few lessons," says Richardson.

3. Anyone can learn

Children can start learning to play tennis without ever having tried it before. Tennis for Kids courses are designed for children who've never played and each session is fun, with some activities open to parents, too
