

Section 3 - External Auditor Report and Certificate 2024/25

In respect of **Lower Beeding Parish Council**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2024/25

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

The bank reconciliation originally provided on the initial submission did not equal Box 8 of Section 2 as per Paragraph 2.24 of JPAG Practitioners' Guide 2024. A revised bank reconciliation has been submitted which includes two bank accounts that were missed on the original reconciliation. This reconciliation agrees to Box 8 of Section 2 and therefore no further concerns arise in this area. Please would the council ensure going forwards that the bank reconciliation submitted reconciles to the Box 8 figure per Section 2.

Insufficient information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The parish council should in future ensure that all the necessary supporting information is provided with their annual submission.

Incomplete information was provided with the initial supporting data submitted for review with regards to the level of reserves held by the council, which was later provided on request. The parish council should in future ensure that reserves levels are considered thoroughly and explanations provided with the AGAR when submitted to the external auditor.

On review of the council's notice of public rights, we have noted that this refers to the accounting year end 31 March 2024. We believe this is a human error on completion and that the requirements to publish the notice of public rights was made correctly.

3 External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.
